Problems in Car Rentals

The traditional car rental industry is **plagued with inefficiencies**, making the process **frustrating for customers**:

- ✗ **Lack of transparency** – Hidden costs and unexpected charges.
- ✗ **Limited availability** – Unreliable vehicle options and last-minute unavailability.
- ✗ **Complex booking process** – Tedious paperwork and slow approvals.
- ✗ **Security concerns** – Unverified vehicles and unsafe rental experiences.
- ✗ **Poor customer service** – Unresponsive support and difficult complaint resolution.

MORENT was created to **solve these challenges and transform the car rental experience**
